ENTRY RULES

1. Racing Office will open for entries at 8:00 a.m. Entries close at 10:30 a.m.
2. Horse registration papers with a current health certificate must be on file in the racing secretary's office to receive an entry date.
3. When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice. Two horses having a common tie through ownership cannot start to the exclusion of a single interest (excluding stakes races). However, a second choice has preference over an in-today horse.
4. A blinker change must be approved by the starter and reported at time of entry.
5. In all races, winners are preferred except where the conditions of the race state otherwise. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
6. Owners and Trainers must be careful to claim allowances and preference date at time of entry. This is the sole responsibility of the person making the entry.
7. Horses not entitled to the first allowance in a race are not entitled to the second and, if not to the second, then to any subsequent allowances.
8. All entries made by licensed jockey agents on behalf of trainers or owners shall be made not later than 9:30 a.m.
9. All entry blanks must be signed by the person making the entry and/or by the racing office employee or racing official filling out the entry.

FONNER PARK 2017 PREFERENCE SYSTEM

1. Preference dates will not supersede conditions of a race. (Winners preferred, high weights preferred, etc.)
2. Horses will not be eligible to receive a date until their papers are on file in the Racing Office with current health and EHV-1 papers.
3. Papers must be registered prior to the first day of entries for a zero date, which is the lowest possible date.
4. All horses registering after 4:00 p.m. Tuesday, February 21 will receive an R date of the day registered.
5. A zero takes preference over a running date.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held.
7. Horses which scratch or are scratched will keep their R date for the day the race ran.
8. All horses placed on the Stewards, Veterinarian or Starters lists will be posted on the bulletin board. They will not be permitted to start until they have been approved to start. Horses placed on these lists will keep their dates if they ran in the particular race in which they made the list. Horses which are scratched will be given a date for the day the horse comes off the list.
9. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race elsewhere. Should a horse's papers be withdrawn from the Racing Office for just cause, (i.e., tattoo, corrections, change of ownership or clarification etc.) the Racing Secretary may determine the status of the preference date established.
10. Preference dates are good at any distance.
11. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
12. In rules four and eight above, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
13. Any horses running in a handicap or stake will retain previously held preference date.

When a horse's name appears in a race other than a Sweepstakes and is entered for the following day, such entry will be given no consideration should the race in which it is entered be overfilled. A list of the dates will be posted each day and mistakes must be reported by the owner or trainer prior to the closing of the Racing Office on the day posted.

TRAINERS ARE RESPONSIBLE FOR DATES.

TRACK RULES

Ponying will not be allowed on the Main Track. The Training Track will be used for ponying of horses.

Any horse, four-year-old and older that has not been previously tattooed will be done so at the owners expense at **full cost**.

No horse shall be entered in more than one race on any racing day, sweepstakes included.

The Association reserves the right to change or withdraw entirely, any unclosed race.
