

2023 FONNER PARK CAMPGROUND & STABLE AREA RULES

Fonner Park welcomes you back for our 2023 season of Thoroughbred horseracing. Please be aware of our expectations within your agreement to stay with us.

CAMPGROUND:

Camper pads are not guaranteed without first making a reservation with Kathy Foley. Please call her at 308-382-4515.

Any horsemen/camper with a dog who intends to leave the campground while their dog is unattended outside (on a leash or unattended in a fenced area), will be issued a pad located on the east-half of the East Campground. If your dog becomes a nuisance due to barking or digging (or any other undesirable behavior) in the campground area, you will be asked to relocate further away from the others. If your dog remains a nuisance or you are not cleaning up after your dog, you will be asked to vacate the entire campground.

In addition to the rent that you must pay in advance before your setup, you are expected to make a \$100 security deposit at the time of arrival. The security deposit will be returned to you in full if you maintain a clean pad during your stay at Fonner Park and clean your pad area upon your departure. All, or a portion (or potentially zero) of the security deposit will be returned to you based on the cleanliness of your rented pad area. No junk shall be left behind, such as: discarded furniture, tires, boxes, trash, etc. Items left behind are considered trash. Violators may incur a full forfeiture of the \$100 security deposit and potentially additional fees.

Campers who are issued multiple pads for the purpose of keeping a dog will be located on the east-half of the East Campground. Pads are not to be used for inoperable vehicles, equipment or personal property.

STABLE AREA:

If stalls are not cleaned upon departure, there will be a \$15.00 stall cleaning fee charged for each horse approved on the 2023 stall app. The stall man must be contacted to approve the stalls before departure. Those who left in 2022 with uncleaned stalls have been informed.

Kiley Thompson is our Stall Man. Please get approval from him on where to park your trailer(s) for the long-term. His cellphone is: 308-383-4346. **Only horses approved by Racing Secretary Doug Schoepf will be allowed into the stable area.**

No horse is to be turned-out in an outdoor corral without a filled water bucket within reach. Horses shall not be tied to a hitching post while unattended or for a lengthy period. No horse shall be ground-tied or hobbled at any time anywhere in the stable area.
